Helen Twowheels Product Limited Lifetime Warranty

All H2W products have a warranty for life against defective workmanship and defective material. We want you to be completely satisfied with your product.

If there is any problem with the product as a result of defective material or a problem with the product as a result of defective workmanship, we will replace the product free of charge. The customer will be responsible for the cost of shipping the defective product to us for our inspection and verification of a warranty claim.

Obviously, wear and tear resulting from usage is to be expected and that does not qualify for 'warranty replacement'. The H2W products should give you excellent service for many years and under 'normal' usage should last almost indefinitely. Limited Lifetime warranty applies to the original purchaser of the products only.

If you have a concern or question about any of your H2W products, please contact us.
